Club or entity:
Birthdate:
DNI:

With this document I declare that I've been clearly informed and that the decision to use the municipal sports facilities (to maintain my sports preparation) is a personal decision. In this, I have assessed the benefits and effects of training, but I have also assessed the risks that I may suffer from the current pandemic of COVID-19.

I declare:

- I haven't been in contact with people infected with COVID-19 for the last 14 days. I don't have any symptoms (cough, fever, taste or smell changes ...) that are related to the pandemic. I am not a high risk person.

- I've been informed of the measures that have to be carried out to reduce the risks of contagion by Coronavirus. In addition, I know that the people responsible for sports facilities cannot guarantee full security at the facilities due to the current pandemic.

- I've been informed of the risks that I could suffer if I contract COVID-19, as well as the consequences and possible consequences that could occur for my health and for that of others.

Therefore, in accordance with the above:

- I agree to follow the instructions of the sports entity where I do sports, the health authorities, as well as what is indicated in the sports facility itself. Because I know all this information.

- I understand and know the risk and possibility of COVID-19 infection. I know the measures that I have to follow to reduce the possibility of contagion: safety distance, respiratory mask, hand washing and

disinfection, and mainly staying at home.

- I declare that, making use of the rights guaranteed by law, my intention to use the sports facilities is personally assuming all the consequences and responsibilities.
